

Welcome to Tor Homes

Tor Homes provides quality affordable homes for local people in South Devon. Based in the South Hams, we are a non-profit making organisation, managing 3000 rented homes. We also build new homes for rent and shared ownership. Tor Homes is part of the [Devon & Cornwall Housing group](#) which manages 17,000 properties throughout Cornwall and Devon.

 [Click here to read Update spring 2008, giving news of what is happening across the group](#)

Our website provides general information about Tor Homes, our people and our performance.

There is also information for people living in our properties, for people wanting to rent or buy a home and those looking for a career with Tor Homes.

The website also gives 24 hour access to information on rents, repairs, the latest news and getting involved with the company.

What do you think?

If you have any comments or suggestions for the site, please do let us know through our [contact us](#) area
