

Useful leaflets

We publish a range of information leaflets and factsheets outlining our services and our approach to managing our homes. These are available on line and in our reception area. Please click on the links below and throughout the website to view the leaflets online.

If you would like us to supply any of these leaflets in a different format, in an audio version or in another language please let us know. Telephone freephone **0800 316 88 39**. Languageline and typetalk facilities are available when you phone us. [Our translation factsheet](#) may also be useful.

Customer Checked Panel

Last year we set up a Customer Checked Panel. Samples of our literature are sent to the members of this group before the material is printed, to make sure it is user friendly.

There are seven members on this panel, but we would be very pleased to welcome new volunteers. If you would like to become involved, please contact **Vicki Dunstone** on **0800 316 88 39** or send an email by clicking on the link below.
