

## The Sheltered Housing Forum

### Sheltered Housing Forum

Our Sheltered Housing Forum is a group of residents who work together with the Company on issues affecting the Sheltered Housing service and represent the views of our residents.

We currently hold four meetings a year, arranged by our Tenant Participation Team. The agenda and subsequent minutes are available to all sheltered housing residents from our Tenant Participation team.

### Recent Sheltered Housing Forum meetings

To see the minutes of recent Sheltered Housing Forum meetings please click on the links below

To find out more about Tor Homes' tenant participation activities please see our web pages under "Getting Involved". You can also find more information about getting involved by clicking on the link to "Our Involvement Web" below.
